

## **Amendment to the Specification:**

On page 1, insert the sentence --This application claims benefit of Provisional Patent Application no. 60/260,527, filed January 10, 2001.-- in between “Butterfly Sponge Mop” and “Field of the Invention”.

*Thus amended, page 1 should now read beginning as follows:*

Patent Application of  
Robert A. Cann  
For  
Butterfly Sponge Mop

This application claims benefit of Provisional Patent Application no. 60/260,527, filed January 10, 2001.

### Field of the Invention

This invention relates to sponge mops, and more particularly to a type known as a butterfly mop wherein a self-wringing mechanism transversely folds and squeezes together two wing-like halves holding a detachable sponge.

### Background of the Invention

Self-wringing sponge mops are well known, and many prior art designs exist. Generally a long tubular handle and a detachable sponge or sponge-like material are affixed to more or less opposite ends of a mop head assembly that includes a self-wringing mechanism.
